

INFORMATION

The Wall Banner System is composed by a profile frame structure made of silver anodised lightweight aluminium and a full range of accessories for holding big size poster canvases. The wall banner system adopts a simple design to showcase your advertisement or promotional poster. Easy to assemble. The banner is attached by hanger clips through the grommets and fixed to the aluminium profile structure, allowing a simple and fast changing of the banner. Ideal for promoting your business or for displaying at outdoor exhibitions.

INFORMATION

It has better weather resistance, better stability, no collapse risk and no blower noise than others. Also, it doesn't need electrical fan motor which pumps air continuously, thanks to its separate inflate and deflate nozzles, it just needs a few minutes to this task. Moreover, offers big space for branding. Before customizing, remove the TPU inner sleeve. The advantages of these inflatable arches are the compactness for transportation and easy installation. Ideal for sport events, opening of stores or private parties.
